Love · Belonging · Opportunity

hello.

Are you 18-25 with experience of the 'care system'?

Want to know about your rights and entitlements?

Struggling to be heard and would like help to speak up?

Want to work with others, in Jersey and elsewhere, to transform care?

Our independent advocates can help you

What is independent Advocacy?

Independent advocates support you to have your voice heard and share your views with other people. We will work for you and nobody else.

We can help you:

- Work out what you want to say by listening to you
- Find out what your rights and entitlements are, and help you access them
- Make sure you are fully involved in decision-making about your life
- By speaking on your behalf, if you want us to
- Work with others to drive the change you want to see in the 'care system'
- By offering fun activities of your choosing

To find out more about what Jersey Cares can offer you, please contact us on:
